I admit to being the reason  
A had Seeman got on the underwear  
I an 100% sure that I wasn't  
~~Directly~~ used to abuse me But  
to clean up ~~the~~ Apologies for causing  
this problem with my self upidly  
and my addiction to self pleasure.  
I never meant for this to happen  
or to screw up this badly. I'm  
going to programs (group therapy) to  
get mental help and so far it  
is working good now.
